

COMMUNITY PROGRAMS FOR YOUR SCHOOL

Supported by WEST HQ

FITNESS PROGRAMS

Beginner, intermediate & advanced levels of gymnastics, group fitness and aquatics for
PRESCHOOL | PRIMARY SCHOOL | HIGH SCHOOL

HOW IT WORKS

The ClubGRANTS program is designed to ensure larger Registered Clubs in NSW:

- / Aid in the provision of front-line services in the local community
- / Ensure the local community is better positioned to benefit from contributions made by Registered Clubs
- / Facilitate donations towards infrastructure in order to support sporting, health, and community activities.

ClubGRANTS can cover:

- / Funding for transportation to and from your school
- / Funding for the total cost of your gymnastics, group fitness and/or swimming classes.

NEXT STEPS

- / Schools to apply before June 30th 2022.
- / Schools will be advised once applications have been processed and accepted.
- / West HQ will transfer the funds as a dollar value if the application is approved.
- / On acceptance of the agreed terms, funds issued must not be transferred for any other offer, and must be used for the sole purpose of the approved fitness education program.

After the School ClubGRANTS Fitness Program funds are exhausted, or by June 30th 2022, whichever is first, the offer will be completed and no longer valid.
